DEVELOPMENT

TANAMERA SAMPLE PORTFOLIO

# COMPANY OVERVIEW

FEBRUARY 2026

Tanamera is a real property development company headquartered in Reno Nevada that provides high-end commercial and residential real property development services and construction oversight for its clients and its partners. The Principals of Tanamera began as homebuilders in 1995 developing homes for sale in the Double Diamond Ranch 800 acre 3,000 home Master Planned Community in South Reno that they acquired, entitled and developed along with 1,444 production homes. Over the years, the Tanamera Principals & their affiliates, as developers & previously as general contractors, have designed, entitled / have in planning and / or built numerous residential master planned communities, business / medical parks (15 in total), production homes (1,827), custom homes (74), office and medical office buildings (1,501,471 sf), retail commercial properties (4 - 821,043 sf), hotels (2 - 180 rooms), and multifamily communities (15 Projects - 3,736 units) throughout northern Nevada and the Lake Tahoe area valued at very close to \$3 billion based on cost.

Today the Principals of Tanamera are focusing their efforts solely in locating additional unique development opportunities in northern Nevada and the Lake Tahoe area for the development of multifamily housing communities, medical office parks, production housing for rent and spec custom homes. Going forward, the Principals of Tanamera intend to use their extensive experience in planning, entitling, designing, developing and building high end residential and commercial properties throughout northern Nevada and the Lake Tahoe region to assist their existing partners and clients and new partners / clients looking to take advantage of the exceptional growth expected to continue in northern Nevada and beyond for some time to come.

# TANAMERA'S KEY MANAGEMENT / ADVISORS

## Kreg Rowe (Founder / Managing Ptr)

[krowe@tdnev.com](mailto:krowe@tdnev.com)

Mr. Rowe began his real estate career in 1977 obtaining his real estate brokerage license from the state of California directly following his graduation from college. With a Bachelor of Science degree in Business Administration with a concentration in Real Estate and Finance from the Polytechnic State University of California in San Luis Obispo, Mr. Rowe initially concentrated in the real estate brokerage of large-scale acreage and commercial projects in west central California. In 1979 Mr. Rowe moved to Sacramento California where he continued his brokerage activities with Grubb & Ellis Commercial Brokerage Company specializing in the brokerage of apartment communities. In 1982 Mr. Rowe left Grubb & Ellis and formed his own syndication and development company in northern California that acquired, developed and managed over 3,000 apartment units and several commercial projects valued at over \$300 million. In 1988 Mr. Rowe became an Institutional Pension Fund Advisor and began representing such financial institutions as the California Public Employees Retirement System, the Illinois State Teacher's Retirement System, Pennsylvania School Employees System and Executive Life Insurance Company, specializing in the acquisition and asset management of institutional grade apartments throughout the Western United States. In 1995 Mr. Rowe moved to northern Nevada to acquire land and develop the Double Diamond Ranch 800-acre 3,000 home Master Plan Community. Since 1995, Mr. Rowe, as Founder and Managing Partner, has managed and overseen several development and construction companies, as predecessors to Tanamera, all located in Reno Nevada. Collectively with Tanamera, these firms have designed, entitled, have in planning / developed, and / or built in the aggregate close to \$3 billion (based on cost) of various high-end commercial and residential projects.

## Brett Seabert, (COO / Managing Ptr)

[bseabert@tdnev.com](mailto:bseabert@tdnev.com)

Mr. Seabert joined Tanamera's predecessor in 2001 and has been a partner with Mr. Rowe since 2003, overseeing all Company financial and administrative

operations. Mr. Seabert is the Company's Chief Operating Officer and a Managing Partner of the Company. He holds a Bachelor of Science degree in Business Administration with a concentration in Accounting and was a Certified Public Account for over 38 years. Mr. Seabert currently oversees all financial reporting and accounting functions for the Company's development projects, including project cost analysis, project pro formas, project insurance, and all development project banking (including the oversight and management of all project loan draws and all development financing).

Mr. Seabert received the Wall Street Journal Student Achievement Award in 1984, while in college, and thereafter was recruited by Deloitte and Touche where he worked for 5 years. Thereafter, Mr. Seabert served as CFO and COO for a multi-national gaming company for 13 years, intimately involved with the acquisition and sales of gaming properties. During his time with the gaming company, Mr. Seabert managed over 700 employees and oversaw all risk management, internal audits, and Human Resources. Mr. Seabert has also served on the Board of Directors for a Nasdaq publicly traded company for 7 years as the Audit Committee Chair as well as a member of the Nomination and Governance Committee, the Compensation and Risk Committee and the Security Committee.

## Justin Rowe (Construction Advisor)

[jrowe@shdnv.com](mailto:jrowe@shdnv.com)

Justin Rowe is Managing Partner of StoneHaven Construction and Development, that he co-founded with Amanda Arguello, **Tanamera Construction's** prior Controller, in 2022, after working for **Tanamera Construction** for more than 13 years. Today, with Kreg Rowe and Brett Seabert electing to shut down **Tanamera Construction** and focus their efforts solely on local development projects, in return for participation in Tanamera projects, Justin became an advisor to Tanamera, beginning in 2025. Now with more than 16 years of extensive local construction and development experience, Justin, as a second generation general contractor and developer, brings to Tanamera deep industry knowledge, proven leadership, and a strong commitment to quality and innovation to every project.

Justin began his career with **Tanamera Construction** in 2009 after earning a Bachelor of Science degree in Business Administration with an emphasis in Finance and a minor in Economics and Real Estate from the University of Colorado at Boulder. He first focused on Tanamera's production home division, where he successfully completed and closed more than 560 single-family homes. As **Tanamera Construction** shifted toward large-scale multifamily and custom home projects, Justin advanced into leadership roles as Lead Project Manager and ultimately Vice President of Operations for **Tanamera Construction**.

Justin is both a Nevada and California licensed general contractor, and the elected 2023 and 2024 President of the Builders Association of Northern Nevada (a 700 company member association). In return for participation in Tanamera projects, Justin works in an advisory capacity to support Tanamera-sponsored developments.

Today, Justin leverages his extensive experience in high-end commercial and residential projects, his deep understanding of local construction costs, and his long-standing relationships with Northern Nevada subcontractors to help support Tanamera's continued success — including entitlement oversight, design review, value engineering insight, and construction management review.

## Amanda Arguello (Financial Advisor)

[aarguello@shdnv.com](mailto:aarguello@shdnv.com)

Amanda Arguello, a licensed CPA with a Bachelor of Science degree in Accounting and a Master of Business Administration degree, worked for **Tanamera Construction** on and off from 2012 until 2022 before forming StoneHaven Construction and Development with Justin Rowe.

In return for participation in Tanamera projects, Amanda also provides review for the underwriting of development projects, risk and insurance review, tax planning and management of tax incentives review, and the review and advice for the financial performance of ongoing projects that support Tanamera-sponsored developments.
